The learned counsel for the petitioner states that the award dated 28.3.2002 has not been given under the Arbitration and Conciliation Act, 1996 and, therefore, it is to be made Rule of the Court before it can be executed and relies on the judgment of Apex Court in Milkfood.

In view of the award having been not made Rule of the Court, the learned counsel for the petitioner seeks to withdraw the execution petition. Execution petition is dismissed as withdrawn. All the interim orders passed are vacated and all the pending interim applications are also disposed of.
